Doctor-Learning Method:

The students will be divided into groups (of five each) and asked to join OPD on this day. Each group will be allotted a case from OPD who needs to get admitted. Each group will follow the allotted case till the time of discharge, engage in history taking, examination and will discuss management with the teacher according to SNAPPS model. The students will attend the clinical rounds at least twice a day.

Plan for End of Posting Assessment:

MCQs/Short Answer Type Questions/Log Book checking: 01 hr.

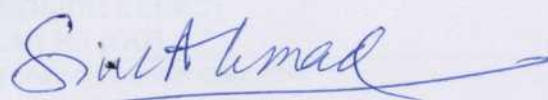

OSCE/OSPE/Case Presentation: 01 hr.

DOPS for procedural skill assessment on mannequin in skill lab: 01 hr.

Note: Senior Resident on duty shall take clinical classes of Prefinal MBBS Batch 2020 students using Bed side teaching method.
