GOVERNMENT MEDICAL COLLEGE, ANANTNAG
DEPARTMENT OF BIOCHEMISTRY

COLLEGE CAMPUS DIALGAM ANANTNAG (J&K)-192210.

Email ID: biochemistrygmcang@gmail.com

We are thrilled to announce that the Department of Biochemistry at Govt. Medical College Anantnag has now expanded its services at the Central Lab of associated MMABM Hospital.

We are now offering testing for:

- **Vitamin D3:** Essential for bone health and immune support.
- **Follicle Stimulating Hormone (FSH):** Key for reproductive health monitoring.
- **Luteinizing Hormone (LH):** can give you insight into your fertile window.
- **Prolactin:** Important for pregnant people.

Why Choose Us?

- **State-of-the-Art Facilities:** Our advanced laboratory is equipped with the latest technology to ensure accurate and timely results.
- **Expert Team:** Our skilled biochemists and technicians are dedicated to providing you with the highest quality of care.
- **Convenience:** Enjoy streamlined testing services at our central location within the MMABM Hospital.

Take charge of your health with our comprehensive testing services!
