**Sub: Organising Health Mela (Medical Camps) by Medical Colleges at CHC Level  
under Ayushman Bhavah Campaign.**

**Sir/Madam,**

As you are aware that the Hon'ble President of India has launched the Ayushman Bhavah campaign at the National level on 13<sup>th</sup> September 2023 and one of the major components of this campaign is **Ayushman Mela** "weekly Health Melas to be held at CHCs level on rotation which are to be organized by Medical Colleges to ensure specialist services in Obstetrics and Gynaecology, Paediatrics, Surgery, ENT, Eye and Psychiatric, cardiology, endocrinology etc". Engaging Medical Colleges would build a synergism in implementing public health functions and overall benefitting the community as a whole, the primary objective of the medical camp is to:

- Provide screening, diagnosis, and basic and advanced health care services through specialized care, including referrals to tertiary care setup for specialized and diagnostic services.
- To make available specialist services up to the block level.
- To enhance the clinical material and training of medical college students/faculty.

Accordingly, each Medical college has been allotted with districts for organising Health Mela and the details rooster covering all CHCs is enclosed herewith as "Annexure A".
