**ORDER**

It has come to the notice of this office that there have been instances of mass bunking of classes of Batch 2022 recently. This is a serious concern for both the academic progress of the students and the smooth functioning of the institution. All the students are being warned against mass bunking of classes and it is requested to concerned HOD's that the list of students falling short of attendance be forwarded to the office of the undersigned on end of every month so that necessary action under permissible rules will be taken.

This issues by the approval of competent authority.
